

Corporate Fundraising

Charity of the year, sponsorship, cause related marketing, project funding, volunteering, payroll giving; there are many ways your company could partner with [Self Unlimited](#).

Our fundraising team will work with you to create a partnership which delivers on your objectives as well as raising vital funds. As a charity, we rely on fundraising and donations to continue to support people with learning disabilities by providing a network of housing, day opportunities and specialised support services to enable the people we support to live fulfilled lives at the heart of society.

Corporate fundraising helps to boost morale and increases employee motivation and teamwork within your own organisation. It will raise your company's profile and generate extremely positive internal and external PR.

There are a number of ways that you can help us:
