

## Self Unlimited Cashcascade

Congratulations! Here is your chance to win big money and support Self Unlimited

Picture yourself 50,000.00 better off

A dream which could come true when you play Self Unlimited: Cashcascade: an exciting lottery-style game based around predicting the winning numbers of the mid week draw of the New York State Lottery! It offers you the chance of winning great cash prizes every week, whilst at the same time directly supporting Self Unlimited.

You could win 25,000 from a 1 stake, or 50,000 from a 2 stake! Just think what that money could buy! The holiday of a lifetime. A top-of-the-range car. A new kitchen. A stylish conservatory. Gifts for the family the possibilities are endless.

This is how it works. You choose a set of five numbers, between 1 and 59 inclusive. Then you decide whether your stake is to be 1 or 2 per week. The higher your stake, the higher your winnings!

Your chosen lucky numbers will be automatically compared by the *Cashcascade* system with those which come up in the Lottery each week.

- If your first 3 numbers match any of the 6 drawn, you win 10.00 or 20.00.
- If your first 4 numbers match any of the 6 drawn, you win 1,000.00 or 2,000.00!
- And if all 5 of your numbers match any of the 6 drawn, you win 25,000.00 or 50,000.00!

These prizes compare very favourably with most lotteries, where average prizes for 4 or 5 numbers are much smaller.

There are no tickets to lose and prize winners are notified automatically, so you don't have to claim. And proceeds from your stake go directly to support Self Unlimited which will receive a massive 45p in every pound staked!

Applying to play online is easy and secure. Treat yourself to a chance to win each week and help people with learning difficulties at the same time.

Remember, the sooner you're in, the sooner you could win.

Thank you again for your support. And good luck!
