

Registered Accommodation

Self Unlimited offers registered residential services at all our regions across the country. We aim to provide high quality services that are tailored to meet each person's particular needs and abilities.

We are also able to provide specialist care for people with more complex needs, but in every case we aim to foster the development of social and everyday living skills and encourage increased independence, wherever possible.

Our dedicated and highly professional staff teams offer 24-hour support, including waking night staff if required to ensure that we meet daily living, emotional and social needs.

We take a holistic approach and are keen to ensure that we balance activities to provide everyone with the safety and security that develops from friendly and efficiently run accommodation, and the personal growth achieved through our range of motivational day services and leisure activities.

For more information contact info@selfunlimited.co.uk, or telephone the region closest to your home town.
